(b) Recipients, duration, and size**(1) Recipients**

For the purposes described in subsection (a), the Secretary is authorized, without regard to section 6101 of title 41, to make grants to, and contracts with, institutions of higher education, public and private agencies and organizations, including community-based organizations with experience in serving disadvantaged youth, combinations of such institutions, agencies and organizations, and, as appropriate to the purposes of the program, secondary schools, for planning, developing, or carrying out one or more of the services assisted under this division.

(2) Duration

Grants or contracts made under this division shall be awarded for a period of 5 years, except that—

(c) Procedures for awarding grants and contracts**(1) Application requirements**

An eligible entity that desires to receive a grant or contract under this division shall submit an application to the Secretary in such manner and form, and containing such information and assurances, as the Secretary may reasonably require.

(2) Considerations**(A) Prior experience**

In making grants under this division, the Secretary shall consider each applicant's

prior experience of high quality service delivery, as determined under subsection (f), under the particular program for which funds are sought. The level of consideration given the factor of prior experience shall not vary from the level of consideration given such factor during fiscal years 1994 through 1997, except that grants made under section 1070a-18 of this title shall not be given prior experience consideration.

(B) Participant need

In making grants under this division, the Secretary shall consider the number, percentages, and needs of eligible participants in the area, institution of higher education, or secondary school to be served to aid such participants in preparing for, enrolling in, or succeeding in postsecondary education, as appropriate to the particular program for which the eligible entity is applying.

(3) Order of awards; program fraud

(A) Except with respect to grants made under sections 1070a-17 and 1070a-18 of this title and as provided in subparagraph (B), the Secretary shall award grants and contracts under this division in the order of the scores received by the application for such grant or contract in the peer review process required under paragraph (4) and adjusted for prior experience in accordance with paragraph (2) of this subsection.

(B) The Secretary shall not provide assistance to a program otherwise eligible for assistance under this division, if the Secretary has determined that such program has involved the fraudulent use of funds under this division.

(4) Peer review process

(A) The Secretary shall ensure that, to the extent practicable, members of groups underrepresented in higher education, including African Americans, Hispanics, Native Americans, Alaska Natives, Asian Americans, and Native American Pacific Islanders (including Native Hawaiians), are represented as readers of applications submitted under this division. The Secretary shall also ensure that persons from urban and rural backgrounds are represented as readers.

(B) The Secretary shall ensure that each application submitted under this division is read by at least three readers who are not employees of the Federal Government (other than as readers of applications).

(5) Number of applications for grants and contracts

The Secretary shall not limit the number of applications submitted by an entity under any program authorized under this division if the additional applications describe programs serving different populations or different campuses.

(6) Coordination with other programs for disadvantaged students

The Secretary shall encourage coordination of programs assisted under this division with other programs for disadvantaged students operated by the sponsoring institution or agen-

The Secretary shall not limit an entity's eligibility to receive funds under this division because such entity sponsors a program similar to the program to be assisted under this division, regardless of the funding source of such program. The Secretary shall permit the Director of a program receiving funds under this division to administer one or more additional programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding sources of such programs. The Secretary shall, as appropriate, require each applicant for funds under the programs authorized by this division to identify and make available services under such program, including mentoring, tutoring, and other services provided by such program, to foster care youth (including youth in foster care and youth who have left foster care after reaching age 13) or to homeless children and youths as defined in section 11434a of title 42.

(7) Application status

The Secretary shall inform each entity operating programs under this division regarding the status of their application for continued funding at least 8 months prior to the expiration of the grant or contract. The Secretary, in the case of an entity that is continuing to operate a successful program under this division, shall ensure that the start-up date for a new grant or contract for such program immediately follows the termination of the preceding grant or contract so that no interruption of funding occurs for such successful re-applicants. The Secretary shall inform each entity requesting assistance under this division for a new program regarding the status of their application at least 8 months prior to the proposed startup date of such program.

(8) Review and notification by the Secretary

(A) Guidance

Not later than 180 days after August 14, 2008, the Secretary shall issue nonregulatory guidance regarding the rights and responsibilities of applicants with respect to the application and evaluation process for programs and projects assisted under this division, including applicant access to peer review comments. The guidance shall describe the procedures for the submission, processing, and scoring of applications for grants under this division, including—

In the case of evidence of a scoring error listed in clause (i)(I), when the error relates to either prior experience points for high quality service delivery or to the final score of an application, the Secretary shall—

- (I) review such evidence and provide a timely response to the applicant; and
- (II) if the Secretary determines that a scoring error was made by the Department or a peer reviewer, adjust the prior experience points or final score of the application appropriately and quickly, so as not to interfere with the timely awarding of grants for the applicable grant competition.

(iv) Error in peer review process

(I) Referral to secondary review

In the case of a peer review process error listed in clause (i)(I), if the Sec-

retary determines that points were withheld for criteria not required in Federal statute, regulation, or guidance governing a program assisted under this division or the application for a grant for such program, or determines that information pertaining to selection criteria was wrongly determined to be missing from an application by a peer reviewer, then the Secretary shall refer the application to a secondary review panel.

(II) Timely review; replacement score

The secondary review panel described in subclause (I) shall conduct a secondary review in a timely fashion, and the score resulting from the secondary review shall replace the score from the initial peer review.

- (bb) is a member of the cohort of peer reviewers for the grant program that is the subject of such secondary review; and
- (cc) to extent practicable, has conducted peer reviews in not less than two previous competitions for the grant program that is the subject of such secondary review.

(IV) Final score

The final peer review score of an application subject to a secondary review under this clause shall be adjusted appropriately and quickly using the score awarded by the secondary review panel, so as not to interfere with the timely awarding of grants for the applicable grant competition.

(V) Qualification for secondary review

To qualify for a secondary review under this clause, an applicant shall have evidence of a scoring error and demonstrate that—

- (aa) points were withheld for criteria not required in statute, regulation, or guidance governing the Federal TRIO programs or the application for a grant for such programs; or
- (bb) information pertaining to selection criteria was wrongly determined to be missing from the application.

(v) Finality

(I) In general

A determination by the Secretary under clause (i), (ii), or (iii) shall not be reviewable by any officer or employee of the Department.
