

**(c) Joint statistical projects**

The Statistics Center may engage in joint statistical projects related to the mission of the Center, or other statistical purposes authorized by law, with nonprofit organizations or agencies, and the cost of such projects shall be shared equitably as determined by the Secretary.

**(d) Fees****(1) In general**

Statistical compilations and surveys under this section, other than those carried out pursuant to subsections (b) and (c), may be made subject to the payment of the actual or estimated cost of such work.

**(2) Funds received**

All funds received in payment for work or services described in this subsection may be used to pay directly the costs of such work or services, to repay appropriations that initially bore all or part of such costs, or to refund excess sums when necessary.

**(e) Access****(1) Other agencies**

The Statistics Center shall, consistent with section 9573 of this title, cooperate with other Federal agencies having a need for educational data in providing access to educational data received by the Statistics Center.

**(2) Interested parties**

The Statistics Center shall, in accordance with such terms and conditions as the Center may prescribe, provide all interested parties, including public and private agencies, parents, and other individuals, direct access, in the most appropriate form (including, where possible, electronically), to data collected by the Statistics Center for the purposes of research and acquiring statistical information.

PART D—NATIONAL CENTER FOR EDUCATION  
EVALUATION AND REGIONAL ASSISTANCE**§ 9561. Establishment****(a) Establishment**

There is established in the Institute a National Center for Education Evaluation and Regional Assistance.

**(b) Mission**

The mission of the National Center for Education Evaluation and Regional Assistance shall be—

(1) to provide technical assistance;

(2) to conduct evaluations of Federal education programs administered by the Secretary (and as time and resources allow, other education programs) to determine the impact of such programs (especially on student academic achievement in the core academic areas of reading, mathematics, and science);

(3) to support synthesis and wide dissemination of results of evaluation, research, and products developed; and

(4) to encourage the use of scientifically valid education research and evaluation throughout the United States.

**(c) Grants, contracts, and cooperative agreements**

In carrying out the duties under this part, the Director may award grants, enter into contracts and cooperative agreements, and provide technical assistance.

(Pub. L. 107-279, title I, §171, Nov. 5, 2002, 116 Stat. 1962.)

**§ 9562. Commissioner for Education Evaluation and Regional Assistance****(a) In general**

The National Center for Education Evaluation and Regional Assistance shall be headed by a Commissioner for Education Evaluation and Regional Assistance (in this part referred to as the “Evaluation and Regional Assistance Commissioner”) who is highly qualified and has demonstrated a capacity to carry out the mission of the Center and shall—

(1) conduct evaluations pursuant to section 9563 of this title;

(2) widely disseminate information on scientifically valid research, statistics, and evaluation on education, particularly to State educational agencies and local educational agencies, to institutions of higher education, to the public, the media, voluntary organizations, professional associations, and other constituencies, especially with respect to information relating to, at a minimum—

(A) the core academic areas of reading, mathematics, and science;

(B) closing the achievement gap between high-performing students and low-performing students;

(C) educational practices that improve academic achievement and promote learning;

(D) education technology, including software; and

(E) those topics covered by the Educational Resources Information Center
