(4) Exemption of certain territories

This section shall only apply to the 50 States, the District of Columbia, and Puerto Rico.

(b) Asset verification program

(1) In general

For purposes of this section, an asset verification program means a program described in paragraph (2) under which a State—

(A) requires each applicant for, or recipient of, medical assistance under the State plan under this subchapter on the basis of being aged, blind, or disabled to provide authorization by such applicant or recipient (and any other person whose resources are required by law to be disclosed to determine the eligibility of the applicant or recipient for such assistance) for the State to obtain (subject to the cost reimbursement requirements of section 1115(a) of the Right to Financial Privacy Act¹ [12 U.S.C. 3415] but at no cost to the applicant or recipient) from any financial institution (within the meaning of section 1101(1) of such Act [12 U.S.C. 3401(1)]) any financial record (within the meaning of section 1101(2) of such Act) held by the institution with respect to the applicant or recipient (and such other person, as applicable), whenever the State determines the record is needed in connection with a determination with respect to such eligibility for (or the amount or extent of) such medical assistance; and

(B) uses the authorization provided under subparagraph (A) to verify the financial resources of such applicant or recipient (and such other person, as applicable), in order to determine or redetermine the eligibility of such applicant or recipient for medical assistance under the State plan.

(2) Program described

A program described in this paragraph is a program for verifying individual assets in a manner consistent with the approach used by the Commissioner of Social Security under section 1383(e)(1)(B)(ii) of this title.

(c) Duration of authorization

Notwithstanding section 1104(a)(1) of the Right to Financial Privacy Act¹ [12 U.S.C. 3404(a)(1)], an authorization provided to a State under subsection (b)(1) shall remain effective until the earliest of—

¹ See References in Text note below.

(1) the rendering of a final adverse decision on the applicant's application for medical assistance under the State's plan under this subchapter;

(2) the cessation of the recipient's eligibility for such medical assistance; or

(3) the express revocation by the applicant or recipient (or such other person described in subsection (b)(1), as applicable) of the authorization, in a written notification to the State.

(d) Treatment of Right to Financial Privacy Act requirements

(1) An authorization obtained by the State under subsection (b)(1) shall be considered to meet the requirements of the Right to Financial Privacy Act¹ for purposes of section 1103(a) of such Act [12 U.S.C. 3403(a)], and need not be furnished to the financial institution, notwithstanding section 1104(a) of such Act [12 U.S.C. 3404(a)].

(2) The certification requirements of section 1103(b) of the Right to Financial Privacy Act¹ [12 U.S.C. 3403(b)] shall not apply to requests by the State pursuant to an authorization provided under subsection (b)(1).

(3) A request by the State pursuant to an authorization provided under subsection (b)(1) is deemed to meet the requirements of section 1104(a)(3) of the Right to Financial Privacy Act¹ [12 U.S.C. 3404(a)(3)] and of section 1102 of such Act [12 U.S.C. 3402], relating to a reasonable description of financial records.

(e) Required disclosure

The State shall inform any person who provides authorization pursuant to subsection (b)(1)(A) of the duration and scope of the authorization.

(f) Refusal or revocation of authorization

If an applicant for, or recipient of, medical assistance under the State plan under this subchapter (or such other person described in subsection (b)(1), as applicable) refuses to provide, or revokes, any authorization made by the applicant or recipient (or such other person, as applicable) under subsection (b)(1)(A) for the State to obtain from any financial institution any financial record, the State may, on that basis, determine that the applicant or recipient is ineligible for medical assistance.

(g) Use of contractor

For purposes of implementing an asset verification program under this section, a State may select and enter into a contract with a public or private entity meeting such criteria and qualifications as the State determines appropriate, consistent with requirements in regulations relating to general contracting provisions and with section 1396b(i)(2) of this title. In carrying out activities under such contract, such an entity shall be subject to the same requirements and limitations on use and disclosure of information as would apply if the State were to carry out such activities directly.

(h) Technical assistance

The Secretary shall provide States with technical assistance to aid in implementation of an asset verification program under this section.

(i) Reports

A State implementing an asset verification program under this section shall furnish to the Secretary such reports concerning the program, at such times, in such format, and containing such information as the Secretary determines appropriate.

(j) Treatment of program expenses

Notwithstanding any other provision of law, reasonable expenses of States in carrying out the program under this section shall be treated, for purposes of section 1396b(a) of this title, in the same manner as State expenditures specified in paragraph (7) of such section.

(k) Reduction in FMAP after 2020 for non-compliant States
