Editorial Notes

PRIOR PROVISIONS

A prior section 1921 of act July 1, 1944, was classified to section 300x-9 of this title prior to repeal by Pub. L. 102-321.

Another prior section 1921 of act July 1, 1944, was classified to section 300y of this title prior to repeal by Pub. L. 100-690.

AMENDMENTS

2022—Subsec. (b). Pub. L. 117-328 substituted “activities to prevent, treat, and provide recovery support services for substance use disorders” for “activities to prevent and treat substance use disorders”.

2016—Subsec. (b). Pub. L. 114-255 inserted “carrying out the plan developed in accordance with section 300x-32(b) of this title and for” after “for the purpose of” and substituted “use disorders” for “abuse”.

§ 300x-22. Certain allocations

(a) Allocation regarding primary prevention programs

A funding agreement for a grant under section 300x-21 of this title is that, in expending the grant, the State involved—

(1) will expend not less than 20 percent for programs for individuals who do not require treatment for substance use disorders, which programs—

(A) educate and counsel the individuals on such disorders; and

(B) provide for activities to reduce the risk of such disorders by the individuals;

(2) will, in carrying out paragraph (1)—

(A) give priority to programs for populations that are at risk of developing a pattern of such disorders; and

(B) ensure that programs receiving priority under subparagraph (A) develop community-based strategies for the prevention of such disorders, including strategies to discourage the use of alcoholic beverages and tobacco products by individuals to whom it is unlawful to sell or distribute such beverages or products.

(b) Allocations regarding women

(1) In general

Subject to paragraph (2), a funding agreement for a grant under section 300x-21 of this title for a fiscal year is that—

(A) in the case of a grant for fiscal year 1993, the State involved will expend not less than 5 percent of the grant to increase (relative to fiscal year 1992) the availability of

treatment services designed for pregnant women and women with dependent children (either by establishing new programs or expanding the capacity of existing programs); (B) in the case of a grant for fiscal year 1994, the State will expend not less than 5 percent of the grant to so increase (relative to fiscal year 1993) the availability of such services for such women; and

(C) in the case of a grant for any subsequent fiscal year, the State will expend for such services for such women not less than an amount equal to the amount expended by the State for fiscal year 1994.

(2) Waiver

(A) Upon the request of a State, the Secretary may provide to the State a waiver of all or part of the requirement established in paragraph (1) if the Secretary determines that the State is providing an adequate level of treatment services for women described in such paragraph, as indicated by a comparison of the number of such women seeking the services with the availability in the State of the services.

(B) The Secretary shall approve or deny a request for a waiver under subparagraph (A) not later than 120 days after the date on which the request is made.

(C) Any waiver provided by the Secretary under subparagraph (A) shall be applicable only to the fiscal year involved.

(3) Childcare and prenatal care

A funding agreement for a grant under section 300x-21 of this title for a State is that each entity providing treatment services with amounts reserved under paragraph (1) by the State will, directly or through arrangements with other public or nonprofit private entities, make available prenatal care to women receiving such services and, while the women are receiving the services, childcare.

Statutory Notes and Related Subsidiaries

EFFECTIVE DATE OF 2000 AMENDMENT

Pub. L. 106-310, div. B, title XXXIII, §3303(f)(2), Oct. 17, 2000, 114 Stat. 1211, provided that the amendment made by section 3303(f)(2) is effective upon the publication of the regulations developed in accordance with section 300x-32(e)(1) of this title.

§ 300x-23. Intravenous substance use

(a) Capacity of treatment programs

(1) Notification of reaching capacity

A funding agreement for a grant under section 300x-21 of this title is that the State involved will, in the case of programs of treatment for intravenous substance use disorders, require that any such program receiving amounts from the grant, upon reaching 90 percent of its capacity to admit individuals to the program, provide to the State a notification of such fact.

(2) Provision of treatment

A funding agreement for a grant under section 300x-21 of this title is that the State involved will, with respect to notifications under paragraph (1), ensure that each individual who requests and is in need of treatment for intravenous substance use disorders is admitted to a program of such treatment not later than—

(A) 14 days after making the request for admission to such a program; or

(B) 120 days after the date of such request, if no such program has the capacity to admit the individual on the date of such request and if interim services are made available to the individual not later than 48 hours after such request.

(b) Outreach to persons who inject drugs

A funding agreement for a grant under section 300x-21 of this title is that the State involved, in providing amounts from the grant to any entity for treatment services for persons who inject drugs, will require the entity to carry out activities to encourage individuals in need of such treatment to undergo treatment.

Editorial Notes

PRIOR PROVISIONS

A prior section 1923 of act July 1, 1944, was classified to section 300x-9b of this title prior to repeal by Pub. L. 102-321.

Another prior section 1923 of act July 1, 1944, was classified to section 300y-2 of this title prior to repeal by Pub. L. 100-690.

AMENDMENTS

2022—Pub. L. 117-328, §1241(a)(4)(A), substituted “substance use” for “substance abuse” in section catchline.

Subsec. (a). Pub. L. 117-328, §1241(a)(4)(B), which directed amendment of subsec. (a) by substituting “substance use disorders” for “drug abuse”, was executed by making the substitution both places “drug abuse” appeared, to reflect the probable intent of Congress.

2016—Subsec. (b). Pub. L. 114-255 substituted “to persons who inject drugs” for “regarding intravenous substance abuse” in heading and “for persons who inject drugs” for “for intravenous drug abuse” in text.

§ 300x-24. Requirements regarding tuberculosis and human immunodeficiency virus

(a) Tuberculosis

(1) In general

A funding agreement for a grant under section 300x-21 of this title is that the State involved will require that any entity receiving amounts from the grant for operating a program of treatment for substance use disorders—

(A) will, directly or through arrangements with other public or nonprofit private entities, routinely make available tuberculosis services to each individual receiving treatment for such disorders; and

(B) in the case of an individual in need of such treatment who is denied admission to the program on the basis of the lack of the capacity of the program to admit the individual, will refer the individual to another provider of tuberculosis services.

(2) Tuberculosis services

For purposes of paragraph (1), the term “tuberculosis services”, with respect to an individual, means—

(A) counseling the individual with respect to tuberculosis;

(B) testing to determine whether the individual has contracted such disease and testing to determine the form of treatment for the disease that is appropriate for the individual; and

(C) providing such treatment to the individual.

(b) Human immunodeficiency virus

(1) Requirement for certain States

In the case of a State described in paragraph (2), a funding agreement for a grant under section 300x-21 of this title is that—

(A) with respect to individuals undergoing treatment for substance use disorders, the State will, subject to paragraph (3), carry out 1 or more projects to make available to the individuals early intervention services for HIV disease at the sites at which the individuals are undergoing such treatment;

(B) for the purpose of providing such early intervention services through such projects,
