§ 7256. Contracts, leases, etc., with public agencies and private organizations and persons

(a) General authority

The Secretary is authorized to enter into and perform such contracts, leases, cooperative agreements, or other similar transactions with public agencies and private organizations and persons, and to make such payments (in lump sum or installments, and by way of advance or reimbursement) as he may deem to be necessary or appropriate to carry out functions now or hereafter vested in the Secretary.

(b) Limitation on authority; appropriations

Notwithstanding any other provision of this subchapter, no authority to enter into contracts or to make payments under this subchapter shall be effective except to such extent or in such amounts as are provided in advance in appropriation Acts.

(c) Leasing of excess Department of Energy property

The Secretary may lease, upon terms and conditions the Secretary considers appropriate to promote national security or the public interest, acquired real property and related personal property that—

- (1) is located at a facility of the Department of Energy to be closed or reconfigured;
- (2) at the time the lease is entered into, is not needed by the Department of Energy; and
- (3) is under the control of the Department of Energy.

(d) Terms of lease

(1) A lease entered into under subsection (c) may not be for a term of more than 10 years, except that the Secretary may enter into a lease that includes an option to renew for a term of more than 10 years if the Secretary determines that entering into such a lease will promote the national security or be in the public interest.

(2) A lease entered into under subsection (c) may provide for the payment (in cash or in kind) by the lessee of consideration in an amount that is less than the fair market rental value of the leasehold interest. Services relating to the protection and maintenance of the leased property may constitute all or part of such consideration.

(e) Environmental concerns

(1) Before entering into a lease under subsection (c), the Secretary shall consult with the Administrator of the Environmental Protection Agency (with respect to property located on a site on the National Priorities List) or the appropriate State official (with respect to property located on a site that is not listed on the National Priorities List) to determine whether the environmental conditions of the property are such that leasing the property, and the terms and conditions of the lease agreement, are consistent with safety and the protection of public health and the environment.
