

carriers, equipment manufacturers, and providers of telecommunications support services pursuant to section 1008 of this title.

**(b) Deposits to Fund**

Notwithstanding any other provision of law, any agency of the United States with law enforcement or intelligence responsibilities may deposit as offsetting collections to the Fund any unobligated balances that are available until expended, upon compliance with any Congressional notification requirements for reprogrammings of funds applicable to the appropriation from which the deposit is to be made.

**(c) Termination**

(1) The Attorney General may terminate the Fund at such time as the Attorney General determines that the Fund is no longer necessary.

(2) Any balance in the Fund at the time of its termination shall be deposited in the General Fund of the Treasury.

(3) A decision of the Attorney General to terminate the Fund shall not be subject to judicial review.

**(d) Availability of funds for expenditure**

Funds shall not be available for obligation unless an implementation plan as set forth in subsection (e) is submitted to each member of the Committees on the Judiciary and Appropriations of both the House of Representatives and the Senate and the Congress does not by law block or prevent the obligation of such funds. Such funds shall be treated as a reprogramming of funds under section 605 of the Department of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act, 1997, and shall not be available for obligation or expenditure except in compliance with the procedures set forth in that section and this section.

**(e) Implementation plan**

The implementation plan shall include:

(1) the law enforcement assistance capability requirements and an explanation of law enforcement's recommended interface;

(2) the proposed actual and maximum capacity requirements for the number of simultaneous law enforcement communications intercepts, pen registers, and trap and trace devices that authorized law enforcement agencies may seek to conduct, set forth on a county-by-county basis for wireline services and on a market service area basis for wireless services, and the historical baseline of electronic surveillance activity upon which such capacity requirements are based;

(3) a prioritized list of carrier equipment, facilities, and services deployed on or before January 1, 1995, to be modified by carriers at the request of law enforcement based on its investigative needs;

(4) a projected reimbursement plan that estimates the cost for the coming fiscal year and for each fiscal year thereafter, based on the prioritization of law enforcement needs as outlined in (3),<sup>1</sup> of modification by carriers of

equipment, facilities and services, installed on or before January 1, 1995.

**(f) Annual report to Congress**

The Attorney General shall submit to the Congress each year a report specifically detailing all deposits and expenditures made pursuant to subchapter I<sup>2</sup> of this chapter in each fiscal year. This report shall be submitted to each member of the Committees on the Judiciary and Appropriations of both the House of Representatives and the Senate, and to the Speaker and minority leader of the House of Representatives and to the majority and minority leaders of the Senate, no later than 60 days after the end of each fiscal year.

### CHAPTER 11—COMMERCIAL MOBILE SERVICE ALERTS

Sec.	
1201.	Federal Communications Commission duties.
1202.	Commercial Mobile Service Alert Advisory Committee.
1203.	Research and development.
1204.	Grant program for remote community alert systems.
1205.	Funding.
1206.	Reliable emergency alert distribution improvement.

#### § 1201. Federal Communications Commission duties

##### (a) Commercial mobile service alert regulations

Within 180 days after the date on which the Commercial Mobile Service Alert Advisory Committee, established pursuant to section 1202(a) of this title, transmits recommendations to the Federal Communications Commission, the Commission shall complete a proceeding to adopt relevant technical standards, protocols, procedures, and other technical requirements based on the recommendations of such Advisory Committee necessary to enable commercial mobile service alerting capability for commercial mobile service providers that voluntarily elect to transmit emergency alerts. The Commission

shall consult with the National Institute of Standards and Technology regarding the adoption of technical standards under this subsection.

##### (b) Commercial mobile service election

###### (1) Amendment of commercial mobile service license

Within 120 days after the date on which the Federal Communications Commission adopts relevant technical standards and other technical requirements pursuant to subsection (a), the Commission shall complete a proceeding—

(A) to allow any licensee providing commercial mobile service (as defined in section 332(d)(1) of this title) to transmit emergency alerts to subscribers to, or users of, the commercial mobile service provided by such licensee;

(B) to require any licensee providing commercial mobile service that elects, in whole or in part, under paragraph (2) not to transmit emergency alerts to provide clear and conspicuous notice at the point of sale of any devices with which its commercial mobile service is included, that it will not transmit such alerts via the service it provides for the device; and

(C) to require any licensee providing commercial mobile service that elects under paragraph (2) not to transmit emergency alerts to notify its existing subscribers of its election.

###### (2) Election

###### (A) In general

Within 30 days after the Commission issues its order under paragraph (1), each licensee providing commercial mobile service shall file an election with the Commission with respect to whether or not it intends to transmit emergency alerts.

###### (B) Transmission standards; notification

If a licensee providing commercial mobile service elects to transmit emergency alerts via its commercial mobile service, the licensee shall—

(i) notify the Commission of its election; and

(ii) agree to transmit such alerts in a manner consistent with the technical standards, protocols, procedures, and other technical requirements implemented by the Commission.

###### (C) No fee for service

A commercial mobile service licensee that elects to transmit emergency alerts may not impose a separate or additional charge for such transmission or capability.

###### (D) Withdrawal; late election

The Commission shall establish a procedure—

(i) for a commercial mobile service licensee that has elected to transmit emergency alerts to withdraw its election without regulatory penalty or forfeiture upon advance written notification of the withdrawal to its affected subscribers;

(ii) for a commercial mobile service licensee to elect to transmit emergency
