

In clause (1), the text of 49 App.:2101(3) is omitted as surplus because the complete name of the Secretary of Transportation is used the first time the term appears in a section.

In clause (2), the word “valid” is omitted as surplus.

Statutory Notes and Related Subsidiaries

MITIGATION OF MILITARY HELICOPTER NOISE

Pub. L. 116-283, div. A, title X, §1087, Jan. 1, 2021, 134 Stat. 3877, provided that:

“(a) PROCESS FOR TRACKING COMPLAINTS.—The Secretary of Defense, in coordination with the Metropolitan Washington Airports Authority, shall develop a process to receive, track, and analyze complaints of military rotary wing aircraft noise in the National Capital Region that are registered on the noise inquiry websites of Ronald Reagan Washington National Airport and Dulles International Airport.

“(b) NATIONAL CAPITAL REGION.—In this section, the term ‘National Capital Region’ has the meaning given such term in section 2674(f)(2) of title 10, United States Code.”

ADDRESSING COMMUNITY NOISE CONCERNS

Pub. L. 115-254, div. B, title I, §175, Oct. 5, 2018, 132 Stat. 3228, provided that: “When proposing a new area navigation departure procedure, or amending an existing procedure that would direct aircraft between the surface and 6,000 feet above ground level over noise sensitive areas, the Administrator of the Federal Aviation Administration shall consider the feasibility of dispersal headings or other lateral track variations to address community noise concerns, if—

“(1) the affected airport operator, in consultation with the affected community, submits a request to the Administrator for such a consideration;

“(2) the airport operator’s request would not, in the judgment of the Administrator, conflict with the safe and efficient operation of the national airspace system; and

“(3) the effect of a modified departure procedure would not significantly increase noise over noise sensitive areas, as determined by the Administrator.”

AVIATION NOISE COMPLAINTS

Pub. L. 112-95, title V, §510, Feb. 14, 2012, 126 Stat. 107, provided that: “Not later than 90 days after the date of enactment of this Act [Feb. 14, 2012], each owner or operator of a large hub airport (as defined in section 40102(a) of title 49, United States Code) shall publish on an Internet Web site of the airport a telephone number to receive aviation noise complaints related to the airport.”

AIRPORT NOISE STUDY

Pub. L. 106-181, title VII, §745, Apr. 5, 2000, 114 Stat. 178, as amended by Pub. L. 106-528, §7(a), Nov. 22, 2000, 114 Stat. 2521, provided that:

“(a) IN GENERAL.—The Secretary [of Transportation] shall enter into an agreement with the National Academy of Sciences to conduct a study on airport noise in the United States.

“(b) CONTENTS OF STUDY.—In conducting the study, the National Academy of Sciences shall examine—

“(1) the threshold of noise at which health begins to be affected;

“(2) the effectiveness of noise abatement programs at airports located in the United States;

“(3) the impacts of aircraft noise on communities, including schools; and

“(4) the noise assessment practices of the Federal Aviation Administration and whether such practices fairly and accurately reflect the burden of noise on communities.

“(c) REPORT.—Not later than 18 months after the date of the agreement entered into under subsection (a), the National Academy of Sciences shall transmit to the Secretary a report on the results of the study. Upon re-

ceipt of the report, the Secretary shall transmit a copy of the report to the appropriate committees of Congress.

“(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated such sums as may be necessary to carry out this section.”

NONMILITARY HELICOPTER NOISE

Pub. L. 106-181, title VII, §747, Apr. 5, 2000, 114 Stat. 179, required the Secretary of Transportation to conduct a study on the effects of nonmilitary helicopter noise on individuals in densely populated areas in the continental United States and develop recommendations for the reduction of the effects of nonmilitary helicopter noise, focusing on air traffic control procedures to address helicopter noise problems and the needs of law enforcement, considering the views of representatives of the helicopter industry, and report to Congress a report on the study not later than 1 year after Apr. 5, 2000.

§ 47502. Noise measurement and exposure systems and identifying land use compatible with noise exposure

After consultation with the Administrator of the Environmental Protection Agency and United States Government, State, and interstate agencies that the Secretary of Transportation considers appropriate, the Secretary shall by regulation—

(1) establish a single system of measuring noise that—

(A) has a highly reliable relationship between projected noise exposure and surveyed reactions of individuals to noise; and

(B) is applied uniformly in measuring noise at airports and the surrounding area;

(2) establish a single system for determining the exposure of individuals to noise resulting from airport operations, including noise intensity, duration, frequency, and time of occurrence; and

(3) identify land uses normally compatible with various exposures of individuals to noise.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 1284.)

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
47502	49 App.:2102.	Feb. 18, 1980, Pub. L. 96-193, §102, 94 Stat. 50.

In this section, before clause (1), the words “Not later than the last day of the twelfth month which begins after February 18, 1980” are omitted as obsolete.

§ 47503. Noise exposure maps

(a) SUBMISSION AND PREPARATION.—An airport operator may submit to the Secretary of Transportation a noise exposure map showing the noncompatible uses in each area of the map on the date the map is submitted, a description of estimated aircraft operations during a forecast period that is at least 5 years in the future and how those operations will affect the map. The map shall—

(1) be prepared in consultation with public agencies and planning authorities in the area surrounding the airport; and

(2) comply with regulations prescribed under section 47502 of this title.

(b) REVISED MAPS.—

(1) IN GENERAL.—An airport operator that submits a noise exposure map under subsection (a) shall submit a revised map to the Secretary if, in an area surrounding an airport, a change in the operation of the airport would establish a substantial new noncompatible use, or would significantly reduce noise over existing noncompatible uses, that is not reflected in either the existing conditions map or forecast map currently on file with the Federal Aviation Administration.

(2) TIMING.—A submission under paragraph (1) shall be required only if the relevant change in the operation of the airport occurs during—

(A) the forecast period of the applicable noise exposure map submitted by an airport operator under subsection (a); or

(B) the implementation period of the airport operator's noise compatibility program.

(Pub. L. 103-272, §1(e), July 5, 1994, 108 Stat. 1284; Pub. L. 108-176, title III, §324, Dec. 12, 2003, 117 Stat. 2542; Pub. L. 115-254, div. B, title I, §174, Oct. 5, 2018, 132 Stat. 3228.)

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
47503(a)	49 App.:2103(a)(1).	Feb. 18, 1980, Pub. L. 96-193, §103(a), 94 Stat. 50.
47503(b)	49 App.:2103(a)(2).	

In subsection (a), before clause (1), the words “After the effective date of the regulations promulgated in accordance with section 2102 of this Appendix” are omitted as executed. The words “of an airport” and “at such airport” are omitted as surplus. The word “how” is substituted for “the ways, if any, in which” to eliminate unnecessary words. In clause (1), the words “planning authorities” are substituted for “planning agencies” for consistency.

In subsection (b), the words “to the Secretary” are added for clarity. The words “after the submission to the Secretary of a noise exposure map under paragraph (1)” are omitted as surplus.

Editorial Notes

AMENDMENTS

2018—Subsec. (b). Pub. L. 115-254 amended subsec. (b) generally. Prior to amendment, text read as follows: “If, in an area surrounding an airport, a change in the operation of the airport would establish a substantial new noncompatible use, or would significantly reduce noise over existing noncompatible uses, that is not reflected in either the existing conditions map or forecast map currently on file with the Federal Aviation Administration, the airport operator shall submit a revised noise exposure map to the Secretary showing the new noncompatible use or noise reduction.”

2003—Subsec. (a). Pub. L. 108-176, §324(1), substituted “a forecast period that is at least 5 years in the future” for “1985,” in introductory provisions.

Subsec. (b). Pub. L. 108-176, §324(2), added subsec. (b) and struck out heading and text of former subsec. (b). Text read as follows: “If a change in the operation of an airport will establish a substantial new noncompatible use in an area surrounding the airport, the airport operator shall submit a revised noise exposure map to the Secretary showing the new noncompatible use.”

Statutory Notes and Related Subsidiaries

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108-176 applicable only to fiscal years beginning after Sept. 30, 2003, except as other-

wise specifically provided, see section 3 of Pub. L. 108-176, set out as a note under section 106 of this title.

NOISE DISCLOSURE

Pub. L. 108-176, title III, §322, Dec. 12, 2003, 117 Stat. 2540, provided that:

“(a) NOISE DISCLOSURE SYSTEM IMPLEMENTATION STUDY.—The Administrator of the Federal Aviation Administration shall conduct a study to determine the feasibility of developing a program under which prospective home buyers of property located in the vicinity of an airport could be notified of information derived from noise exposure maps that may affect the use and enjoyment of the property. The study shall assess the scope, administration, usefulness, and burdensomeness of any such program, the costs and benefits of such a program, and whether participation in such a program should be voluntary or mandatory.

“(b) PUBLIC AVAILABILITY OF NOISE EXPOSURE MAPS.—The Administrator shall make noise exposure and land use information from noise exposure maps available to the public via the Internet on its website in an appropriate format.

“(c) NOISE EXPOSURE MAP.—In this section, the term ‘noise exposure map’ means a noise exposure map prepared under section 47503 of title 49, United States Code.”

§ 47504. Noise compatibility programs

(a) SUBMISSIONS.—(1) An airport operator that submitted a noise exposure map and related information under section 47503(a) of this title may submit a noise compatibility program to the Secretary of Transportation after—

(A) consulting with public agencies and planning authorities in the area surrounding the airport, United States Government officials having local responsibility for the airport, and air carriers using the airport; and

(B) notice and an opportunity for a public hearing.

(2) A program submitted under paragraph (1) of this subsection shall state the measures the operator has taken or proposes to take to reduce existing noncompatible uses and prevent introducing additional noncompatible uses in the area covered by the map. The measures may include—

(A) establishing a preferential runway system;

(B) restricting the use of the airport by a type or class of aircraft because of the noise characteristics of the aircraft;

(C) constructing barriers and acoustical shielding and soundproofing public buildings;

(D) using flight procedures to control the operation of aircraft to reduce exposure of individuals to noise in the area surrounding the airport; and

(E) acquiring land, air rights, easements, development rights, and other interests to ensure that the property will be used in ways compatible with airport operations.

(b) APPROVALS.—(1) The Secretary shall approve or disapprove a program submitted under subsection (a) of this section (except as the program is related to flight procedures referred to in subsection (a)(2)(D) of this section) not later than 180 days after receiving it. The Secretary shall approve the program (except as the program is related to flight procedures referred to in subsection (a)(2)(D)) if the program—

(A) does not place an unreasonable burden on interstate or foreign commerce;
