#### § 1515. Program compliance and integrity

**(a) Purpose**

**(1) In general**

The purpose of this section is to improve compliance with, and the integrity of, the Federal crop insurance program.

**(2) Role of insurance providers**

The Corporation shall work actively with approved insurance providers to address program compliance and integrity issues as such issues develop.

**(b) Notification of compliance problems**

**(1) Notification of errors, omissions, and failures**

The Corporation shall notify in writing an approved insurance provider of any error, omission, or failure to follow Corporation regulations or procedures for which the approved insurance provider may be responsible and which may result in a debt owed the Corporation.

**(2) Time for notification**

Notice under paragraph (1) shall be given within 3 years after the end of the insurance period during which the error, omission, or failure is alleged to have occurred, except that this time limitation shall not apply with respect to an error, omission, or procedural violation that is willful or intentional.

**(3) Effect of failure to timely notify**

Except as provided in paragraph (2), the failure to timely provide the notice required under this subsection shall relieve the approved insurance provider from the debt owed the Corporation.

**(c) Reconciling producer information**

**(1) In general**

The Secretary shall develop and implement a coordinated plan for the Corporation and the Farm Service Agency to reconcile all relevant information received by the Corporation or the Farm Service Agency from a producer who obtains crop insurance coverage under this subchapter.

**(2) Frequency**

Beginning with the 2001 crop year, the Secretary shall require that the Corporation and the Farm Service Agency reconcile such producer-derived information on at least an annual basis in order to identify and address any discrepancies.

**(3) Corrections**

**(A) In general**

In addition to the corrections permitted by the Corporation as of the day before Feb-

ruary 7, 2014, the Corporation shall establish procedures that allow an agent or an approved insurance provider, subject to subparagraph (B)—

(i) within a reasonable amount of time following the applicable sales closing date, to correct errors in information that is provided by a producer for the purpose of obtaining coverage under any policy or plan of insurance made available under this subchapter to ensure that the eligibility information is correct and consistent with information reported by the producer for other programs administered by the Secretary;

(ii) within a reasonable amount of time following—

(I) the acreage reporting date, to reconcile errors in the information reported by the producer with correct information determined from any other program administered by the Secretary; or

(II) the date of any subsequent correction of data by the Farm Service Agency made as a result of the verification of information, to make conforming corrections; and

(iii) at any time, to correct electronic transmission errors that were made by an agent or approved insurance provider, or such errors made by the Farm Service Agency or any other agency of the Department of Agriculture in transmitting the information provided by the producer for purposes of other programs of the Department to the extent an agent or approved insurance provider relied upon the erroneous information for crop insurance purposes.

**(B) Limitation**

In accordance with the procedures of the Corporation, correction to the information described in clauses (i) and (ii) of subparagraph (A) may only be made if the corrections do not allow the producer—

(i) to avoid ineligibility requirements for insurance or obtain a disproportionate benefit under the crop insurance program or any related program administered by the Secretary;

(ii) to obtain, enhance, or increase an insurance guarantee or indemnity if a cause of loss exists or has occurred before any correction has been made, or avoid premium owed if no loss is likely to occur; or

(iii) to avoid an obligation or requirement under any Federal or State law.

**(C) Exception to late filing sanctions**

Any corrections made within a reasonable amount of time, in accordance with established procedures, pursuant to this paragraph shall not be subject to any late filing sanctions authorized in the reinsurance agreement with the Corporation.

**(D) Late payment of debt**

In the case of a producer that has inadvertently failed to pay a debt due as specified by regulations of the Corporation and has been determined to be ineligible for crop

insurance pursuant to the terms of the policy as a result of that failure, the Corporation may determine to allow the producer to pay the debt and purchase the crop insurance after the sales closing date, in accordance with procedures and limitations established by the Corporation.

**(d) Identification and elimination of fraud, waste, and abuse**

**(1) FSA monitoring program**

The Secretary shall develop and implement a coordinated plan for the Farm Service Agency to assist the Corporation in the ongoing monitoring of programs carried out under this subchapter, including—

(A) at the request of the Corporation or, subject to paragraph (2), on its own initiative if the Farm Service Agency has reason to suspect the existence of program fraud, waste, or abuse, conducting fact finding relative to allegations of program fraud, waste, or abuse;

(B) reporting to the Corporation, in writing in a timely manner, the results of any fact finding conducted pursuant to subparagraph (A), any allegation of fraud, waste, or abuse, and any identified program vulnerabilities;

(C) assisting the Corporation and approved insurance providers in auditing a statistically appropriate number of claims made under any policy or plan of insurance under this subchapter; and

(D) using published aggregate data from the National Agricultural Statistics Service or any other data source to—

(i) detect yield disparities or other data anomalies that indicate potential fraud; and

(ii) target the relevant counties, crops, regions, companies, or agents associated with that potential fraud for audits and other enforcement actions.

**(2) FSA inquiry**

If, within five calendar days after receiving a report submitted under paragraph (1)(B), the Corporation does not provide a written response that describes the intended actions of the Corporation, the Farm Service Agency may conduct its own inquiry into the alleged program fraud, waste, or abuse on approval from the State director of the Farm Service Agency of the State in which the alleged fraud, waste, or abuse occurred. If as a result of the inquiry, the Farm Service Agency concludes further investigation is warranted, but the Corporation declines to proceed with the investigation, the Farm Service Agency may refer the matter to the Inspector General of the Department of Agriculture.

**(3) Use of field infrastructure**

The plan required by paragraph (1) shall provide for the use of the field infrastructure of the Farm Service Agency. The Secretary shall ensure that relevant Farm Service Agency personnel are appropriately trained for any responsibilities assigned to the personnel under the plan. At a minimum, the personnel shall receive the same level of training and pass the

same basic competency tests as required of loss adjusters of approved insurance providers.

**(B) Notification of providers**

The Corporation shall notify the appropriate approved insurance provider of a report from the Farm Service Agency regarding alleged program fraud, waste, or abuse, unless the provider is suspected to be included in, or a party to, the alleged fraud, waste, or abuse.

**(C) Response**

An approved insurance provider that receives a notice under subparagraph (B) shall submit a report to the Corporation, within an appropriate time period determined by the Secretary, describing the actions taken by the provider to investigate the allegations of program fraud, waste, or abuse contained in the notice.

**(5) Corporation response to provider reports**

**(A) Prompt response**

If an approved insurance provider reports to the Corporation that the approved insurance provider suspects intentional misrepresentation, fraud, waste, or abuse, the Corporation shall make a determination and provide, within 90 calendar days after receiving the report, a written response that describes the intended actions of the Corporation.

**(B) Cooperative effort**

The approved insurance provider and the Corporation shall take coordinated action in any case where misrepresentation, fraud, waste, or abuse is alleged.

**(C) Failure to timely respond**

If the Corporation fails to respond as required by subparagraph (A), an approved insurance provider may request the Farm Service Agency to assist the provider in an inquiry into the alleged program fraud, waste, or abuse.

**(e) Consultation with State FSA committees**

The Secretary shall establish procedures under which the Corporation shall consult with the State committee of the Farm Service Agency for a State with respect to policies, plans of insurance, and material related to such policies or plans of insurance (including applicable sales closing dates, assigned yields, and transitional yields) offered in that State under this subchapter.

**(f) Detection of disparate performance**

**(1) Covered activities**

The Secretary shall establish procedures under which the Corporation will be able to identify the following:

(A) Any agent engaged in the sale of coverage offered under this subchapter where

the loss claims associated with such sales by the agent are equal to or greater than 150 percent (or an appropriate percentage specified by the Corporation) of the mean for all loss claims associated with such sales by all other agents operating in the same area, as determined by the Corporation.

(B) Any person performing loss adjustment services relative to coverage offered under this subchapter where such loss adjustments performed by the person result in accepted or denied claims equal to or greater than 150 percent (or an appropriate percentage specified by the Corporation) of the mean for accepted or denied claims (as applicable) for all other persons performing loss adjustment services in the same area, as determined by the Corporation.

**(2) Review**

**(A) Review required**

The Corporation shall conduct a review of any agent identified under paragraph (1)(A), and any person identified under paragraph (1)(B), to determine whether the higher loss claims associated with the agent or the higher number of accepted or denied claims (as applicable) associated with the person are the result of fraud, waste, or abuse.

**(B) Remedial action**

The Corporation shall take appropriate remedial action with respect to any occurrence of fraud, waste, or abuse identified in a review conducted under this paragraph.

**(3) Oversight of agents and loss adjusters**

The Corporation shall develop procedures to require an annual review by an approved insurance provider of the performance of each agent and loss adjuster used by the approved insurance provider. The Corporation shall oversee the conduct of annual reviews and may consult with an approved insurance provider regarding any remedial action that is determined to be necessary as a result of the annual review of an agent or loss adjuster.

**(g) Submission of information to Corporation to support compliance efforts**

The information required to be submitted under paragraph (1)(D) with respect to an applicable policy or plan of insurance for a covered commodity (as defined in section 9011 of this title) shall be submitted so as to ensure receipt by the Corporation not later than the Saturday of the week containing the calendar day that is 30 days after the applicable production reporting date for the crop to be insured.

**(ii) Correction of errors**

Nothing in clause (i) limits the ability of an approved insurance provider to correct any error in the information submitted under paragraph (1)(D) after receipt of the information by the Corporation in accordance with clause (i).

**(h) Sanctions for program noncompliance and fraud**

**(1) False information**

A producer, agent, loss adjuster, approved insurance provider, or other person that willfully and intentionally provides any false or inaccurate information to the Corporation or to an approved insurance provider with respect to a policy or plan of insurance under this subchapter may, after notice and an opportunity for a hearing on the record, be subject to one or more of the sanctions described in paragraph (3).
